Sir:

In response to the Office Action dated August 13, 2002 in the above-identified patent application, applicants hereby submit the following amendment and remarks.

IN THE CLAIMS

Cancel claims 67 and 79.

Enter amended claims 63 and 75 as follows:

63. (Amended) A method for providing information assistance service, comprising:
receiving a communication call by a user from a first communication device, the
communication call including a request for a concierge-type service;
determining an identifier associated with the first communication device;
generating a record in response to the request; and
